

BRADFIELD COLLEGE

LACROSSE COACH

## The opportunity

Due to a growth in the number of pupils wanting to play the sport at the College, we require a knowledgeable and enthusiastic lacrosse coach to support our girls' programme across both the Michaelmas and Lent Terms. The role will involve working with both small groups of pupils to improve their technical skills and team units to develop their tactical understanding. Coaching hours will be on a Tuesday and Thursday afternoon between 2 and 4pm. You will be required to both lead practices and to support sessions run by teaching staff involved in the lacrosse programme.

## The College

Founded in 1850 by Thomas Stevens, and set in a village amidst unspoilt Berkshire countryside, Bradfield College enjoys a well-established reputation for being one of the country's leading co-educational, independent schools through its provision of academic excellence and a well-rounded education.

The College is characterised by a relaxed unpretentiousness and has a strong family atmosphere. These are central to the enjoyment of school that we believe is the foundation of successful education. The people who work here are deeply committed to the progress and wellbeing of the children in their care. A talented and diverse team of specialists and all-rounders, the staff bring expertise and dedication to their role and have an easy rapport with the young.

Pupil numbers are currently over 800 (with a 60:40, boy/girl ratio) following completion of an expansion programme which began with the introduction of full coeducation at Bradfield in 2004 (girls were first admitted to the sixth form in 1989). Approximately 90% of the pupils are boarders; many spend Saturday nights at home following matches but there is a full weekend programme and approximately 25% of the boarders stay in. A majority of the pupils are relatively local, coming from within a 30-mile radius. There are also a good number of British and international pupils (approximately 10% and more than 30 nationalities) who are based in London and overseas.

Bradfield's curriculum facilitates interdisciplinary thinking and also promotes excellence through specialisation. Inspirational teaching and high expectations go hand in hand in creating a culture of learning and ambition. As well as an extensive (i)GCSE programme, the College offers both the IB Diploma Programme and A Levels in the Sixth Form. Results are strong with 61% of all (i)GCSEs sat graded 9-7 or A\*/A, 75% A\*-B grades at A Level and an IB Diploma average of 35.9 points over the last two years and almost a quarter of pupils scoring 40 points and above in the most recent cohort.

Bradfield's outstanding pastoral care is rooted in its house system, beginning in Faulkner's, a Year 9 boarding house specially designed to help all girls and boys make a happy and successful transition to senior school before moving into one of 11 senior houses. As they make their way through the school, our pupils learn about themselves and about others and take increasing responsibility for their own lives, their choices and their wellbeing. Simultaneously, we help them to become more aware of the views, needs and rights of people of all ages.

Bradfield offers a remarkable range of co-curricular activity. Participation across this range is fundamental to a Bradfield education and means taking part in sport, music, drama, creative arts and the whole array of activities available. Our pupils throw themselves into co-curricular activity with enthusiasm and learn about themselves whilst honing skills and developing interests which will remain with them throughout adult life.

Bradfield seeks to develop attributes that will enable pupils to thrive personally and professionally and to offer an education for life. This means a great deal more than securing strong grades and making a convincing application to higher education. It also entails the ability to embrace change, openness to a globalised world and the readiness to adapt and innovate. Each of these is nurtured in our diverse community and through our rich curriculum. We encourage pupils to understand the world around them and their place within it. In the same way, Bradfield itself continually looks forwards and outwards, embracing new opportunities whilst remaining true to its values.
