

BRADFIELD COLLEGE

# Sports Fixtures

## Information for Visiting Teams

## Welcome

We look forward to welcoming your pupils, staff and parents to the College for your forthcoming sports fixture and hope that you have an enjoyable visit.

The College is set within the beautiful Berkshire village of Bradfield and our sports facilities are spread out over the full extent of the village. On the day of your visit, signage will be displayed on the roads through the campus to help direct visitors to the relevant location. The following information may be of additional assistance, however, in helping those from your school park and navigate through our extensive site.

## Parking

Drop off and parking for visitors in coaches is in the Car Park next to the Indoor Tennis Centre (*labelled Coach Park on the map of the College*). Please do not try to bring coaches (21 seater and above) directly to the All Weather Pitches as there is not room for them to turn around. Teams coming in minibuses can either drop off and park by the All Weather Pitches or in the coach park by the Indoor Tennis Centre.

Parents arriving in cars should park in the car park relevant to the location of the fixture they are here to watch as per the details below:

| <b>Fixture Location</b>            | <b>Closest Car Park</b>   |
|------------------------------------|---|
| Hill 2                             | Car park next to All Weather Pitches.   |
| Major, Max, Pit & Rectory 1-3      | Main Car Park next to Science Centre.   |
| New Ground 1-4                     | Limited parking is available at New Ground. Entry to this is off the Ashampstead Road. Once this car park is full, parents should use the Main Car Park next to the Science Centre and walk to New Ground via the path that goes over the Iron Bridge and past the Clay Pigeon Shooting area. |
| Netball Courts 1-5                 | Car park next to All Weather Pitches.   |
| Sports Complex and Netball Court 6 | Car Park next to the Indoor Tennis Centre ( <i>labelled Coach Park on the map of the College</i> ).   |

## Refreshments

### Hockey and Netball

A range of delicious hot and cold snacks and beverages will be available to pupils, staff and parents in the Faulkners's Dining Room (*part of the building labeled L on the map of the College*).

### Football

Pupils will have refreshments after their fixture in the Main Dining Hall, staff in the Senior Common Room and Parents in the Warden's Room. All of these are located in the Main College Building and can be accessed through Snake Door (*labelled on the map of the College*).

## Toilet facilities

### Hockey and Netball

Male and female toilets for staff, spectators and pupils are located next to the All Weather Pitches. These are not far from the outdoor netball courts and so can be used by both those attending hockey and netball fixtures. The closest disabled toilet facilities are located next to Faulkner's Dining Hall.

### Football

For those watching football, the closest toilets to the relevant pitches are listed below:

| Pitch                         | Closest Toilet Facilities   |
|-------------------------------|---|
| Hill 2                        | Faulkner's Dining Hall (male, female & disabled).   |
| Major, Max, Pit & Rectory 1-3 | Pit Pavilion (male & female) or Stunt Pavilion (located just above Major Pitch) (male, female & disabled).  |
| New Ground 1-4                | Toilet facilities are unfortunately limited at this location. Visitors are encouraged to use one of the toilets in the Main College before heading to fixtures. |

## Spectators

We would like to take this opportunity to thank all those who attend for their support in enabling both our pupils and those from visiting schools have a positive and fulfilling sporting experience. With this in mind, we would like to ensure that the sporting ethos of the College is upheld at all times by following our spectator guidelines below:

*-We encourage support but ask that everyone conducts themselves in a manner that promotes respect and that contributes to a positive experience for all players and spectators;*

*-Please feel free to appreciate the pupils' effort, skill and fair play but we would encourage you not to focus on the end result of the match;*

*-At no point should parents enter a playing area until after the end of the match and parents should refrain from any negative comments being made towards players, coaches or officials;*

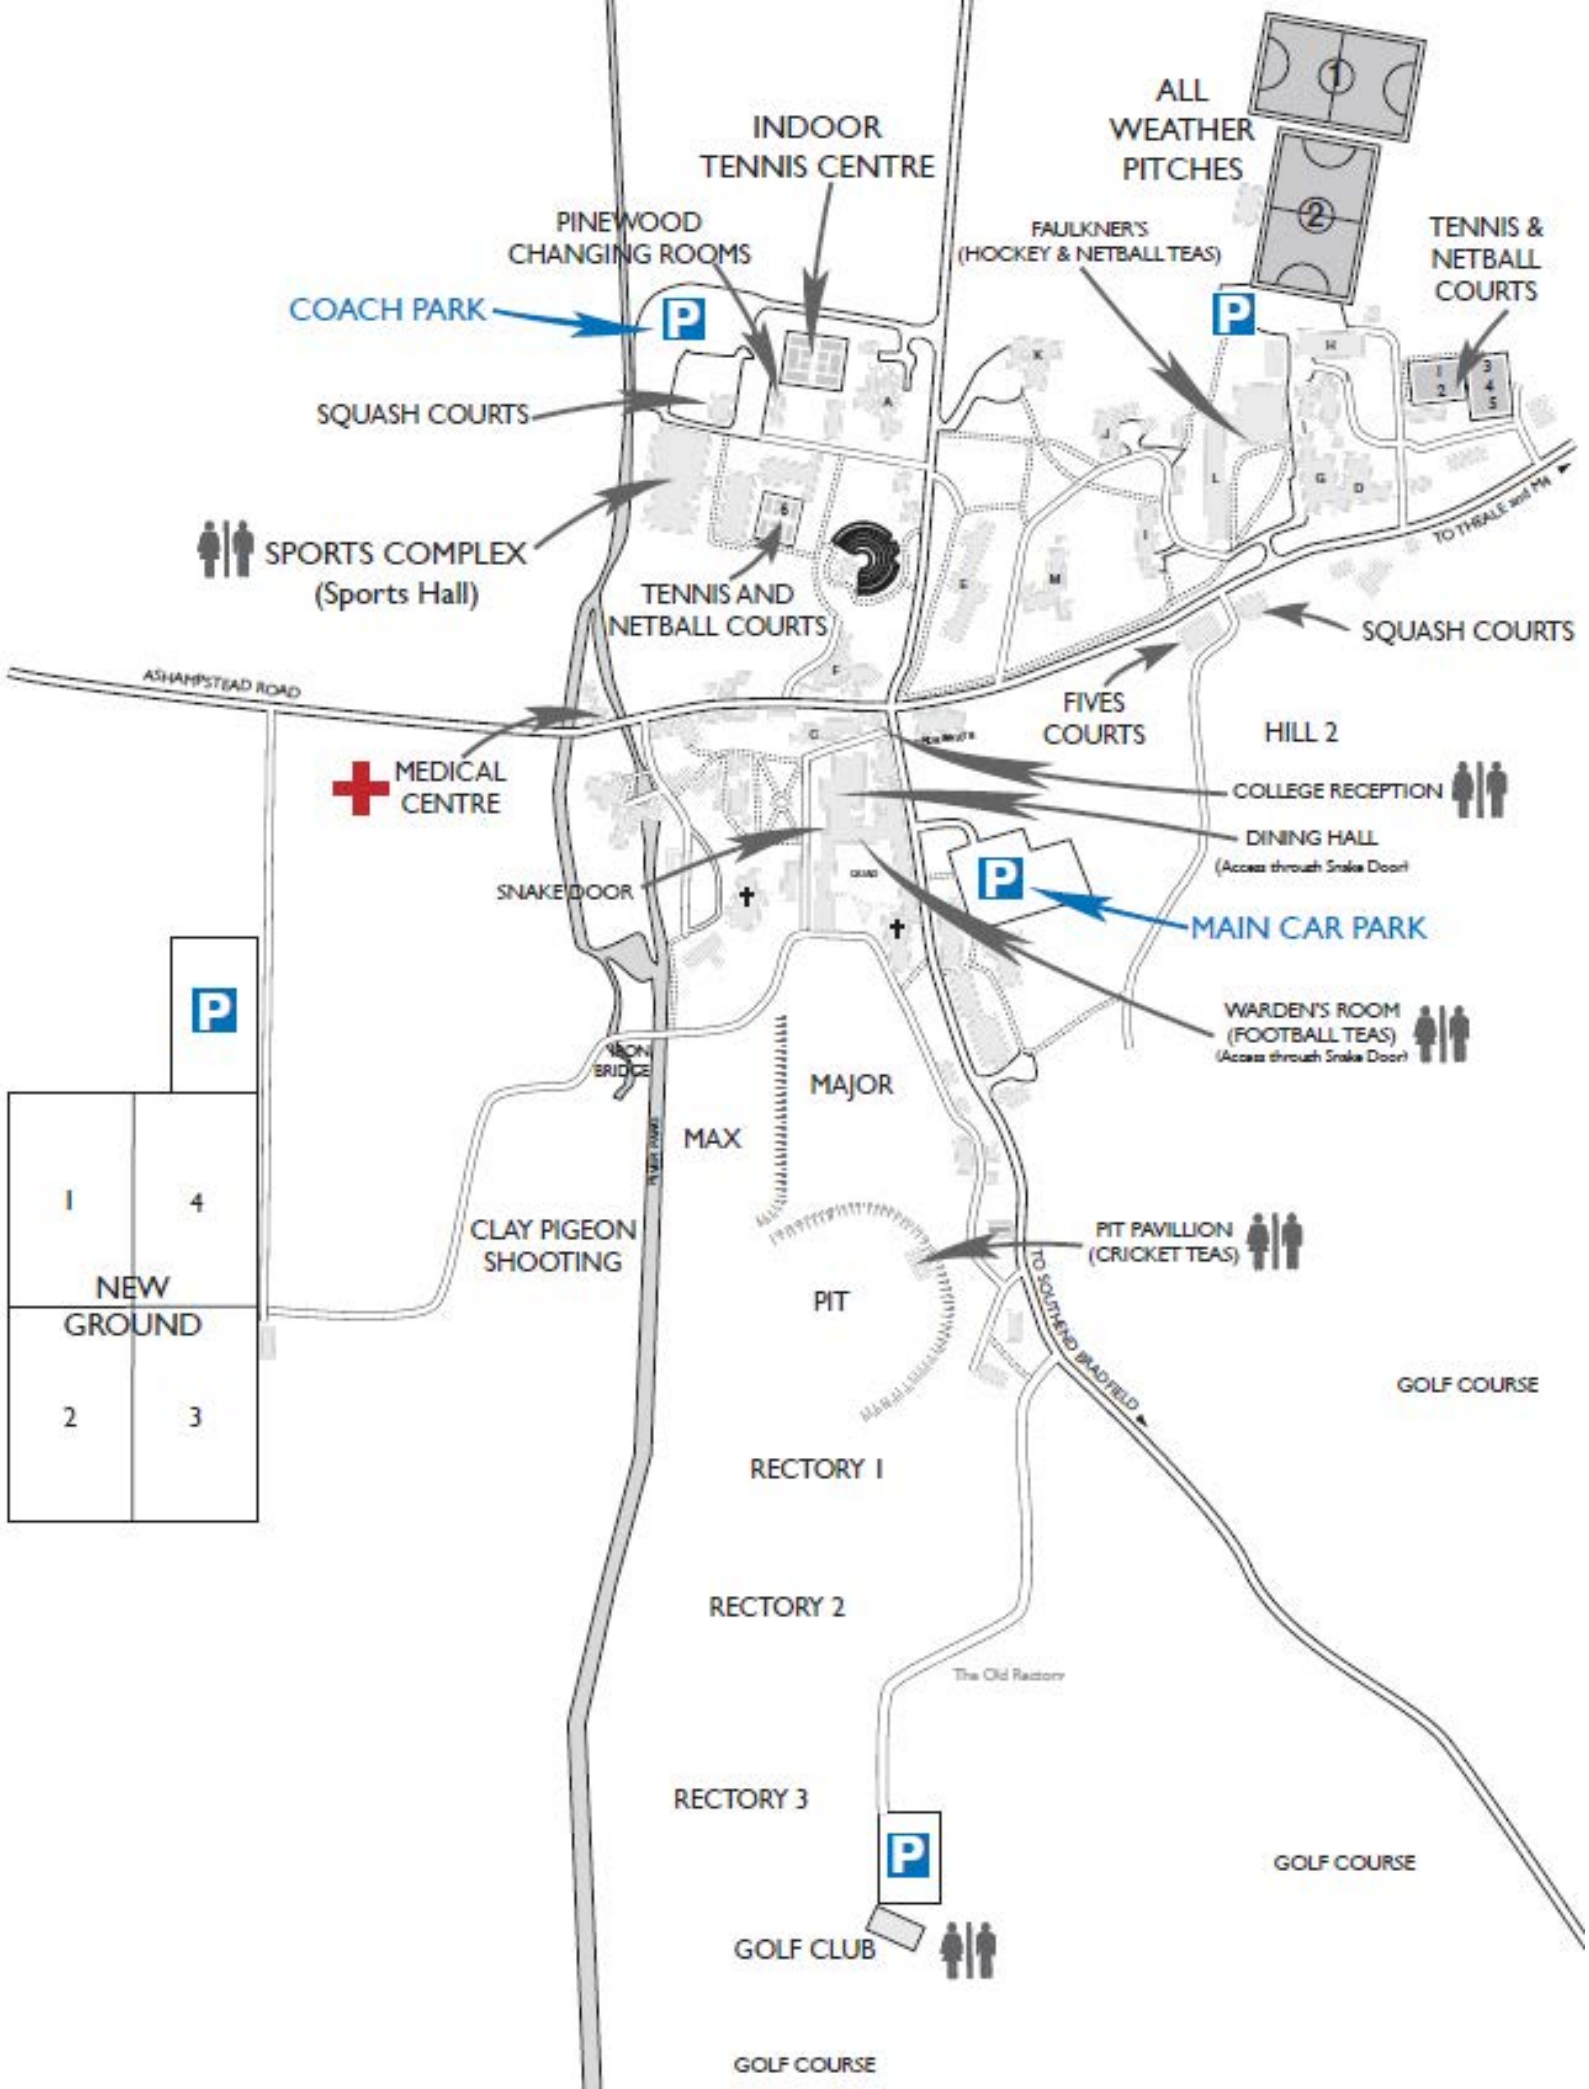

*-To ensure fair play, we ask that there be no coaching or officiating from parents or spectators, and that supporters do not approach match officials before, during or after play.*

## Medical Provision

In the unfortunate event that an injury occurs, all Bradfield College coaches have appropriate first aid qualifications. In addition, for Saturday fixtures and on midweek days where there are a large number of fixtures taking place, we have First Aid cover from Response Ambulance (normally located next to the All Weather Pitches). We also have an onsite Medical Centre that is located on the Ashampstead Road (*see map of College*).

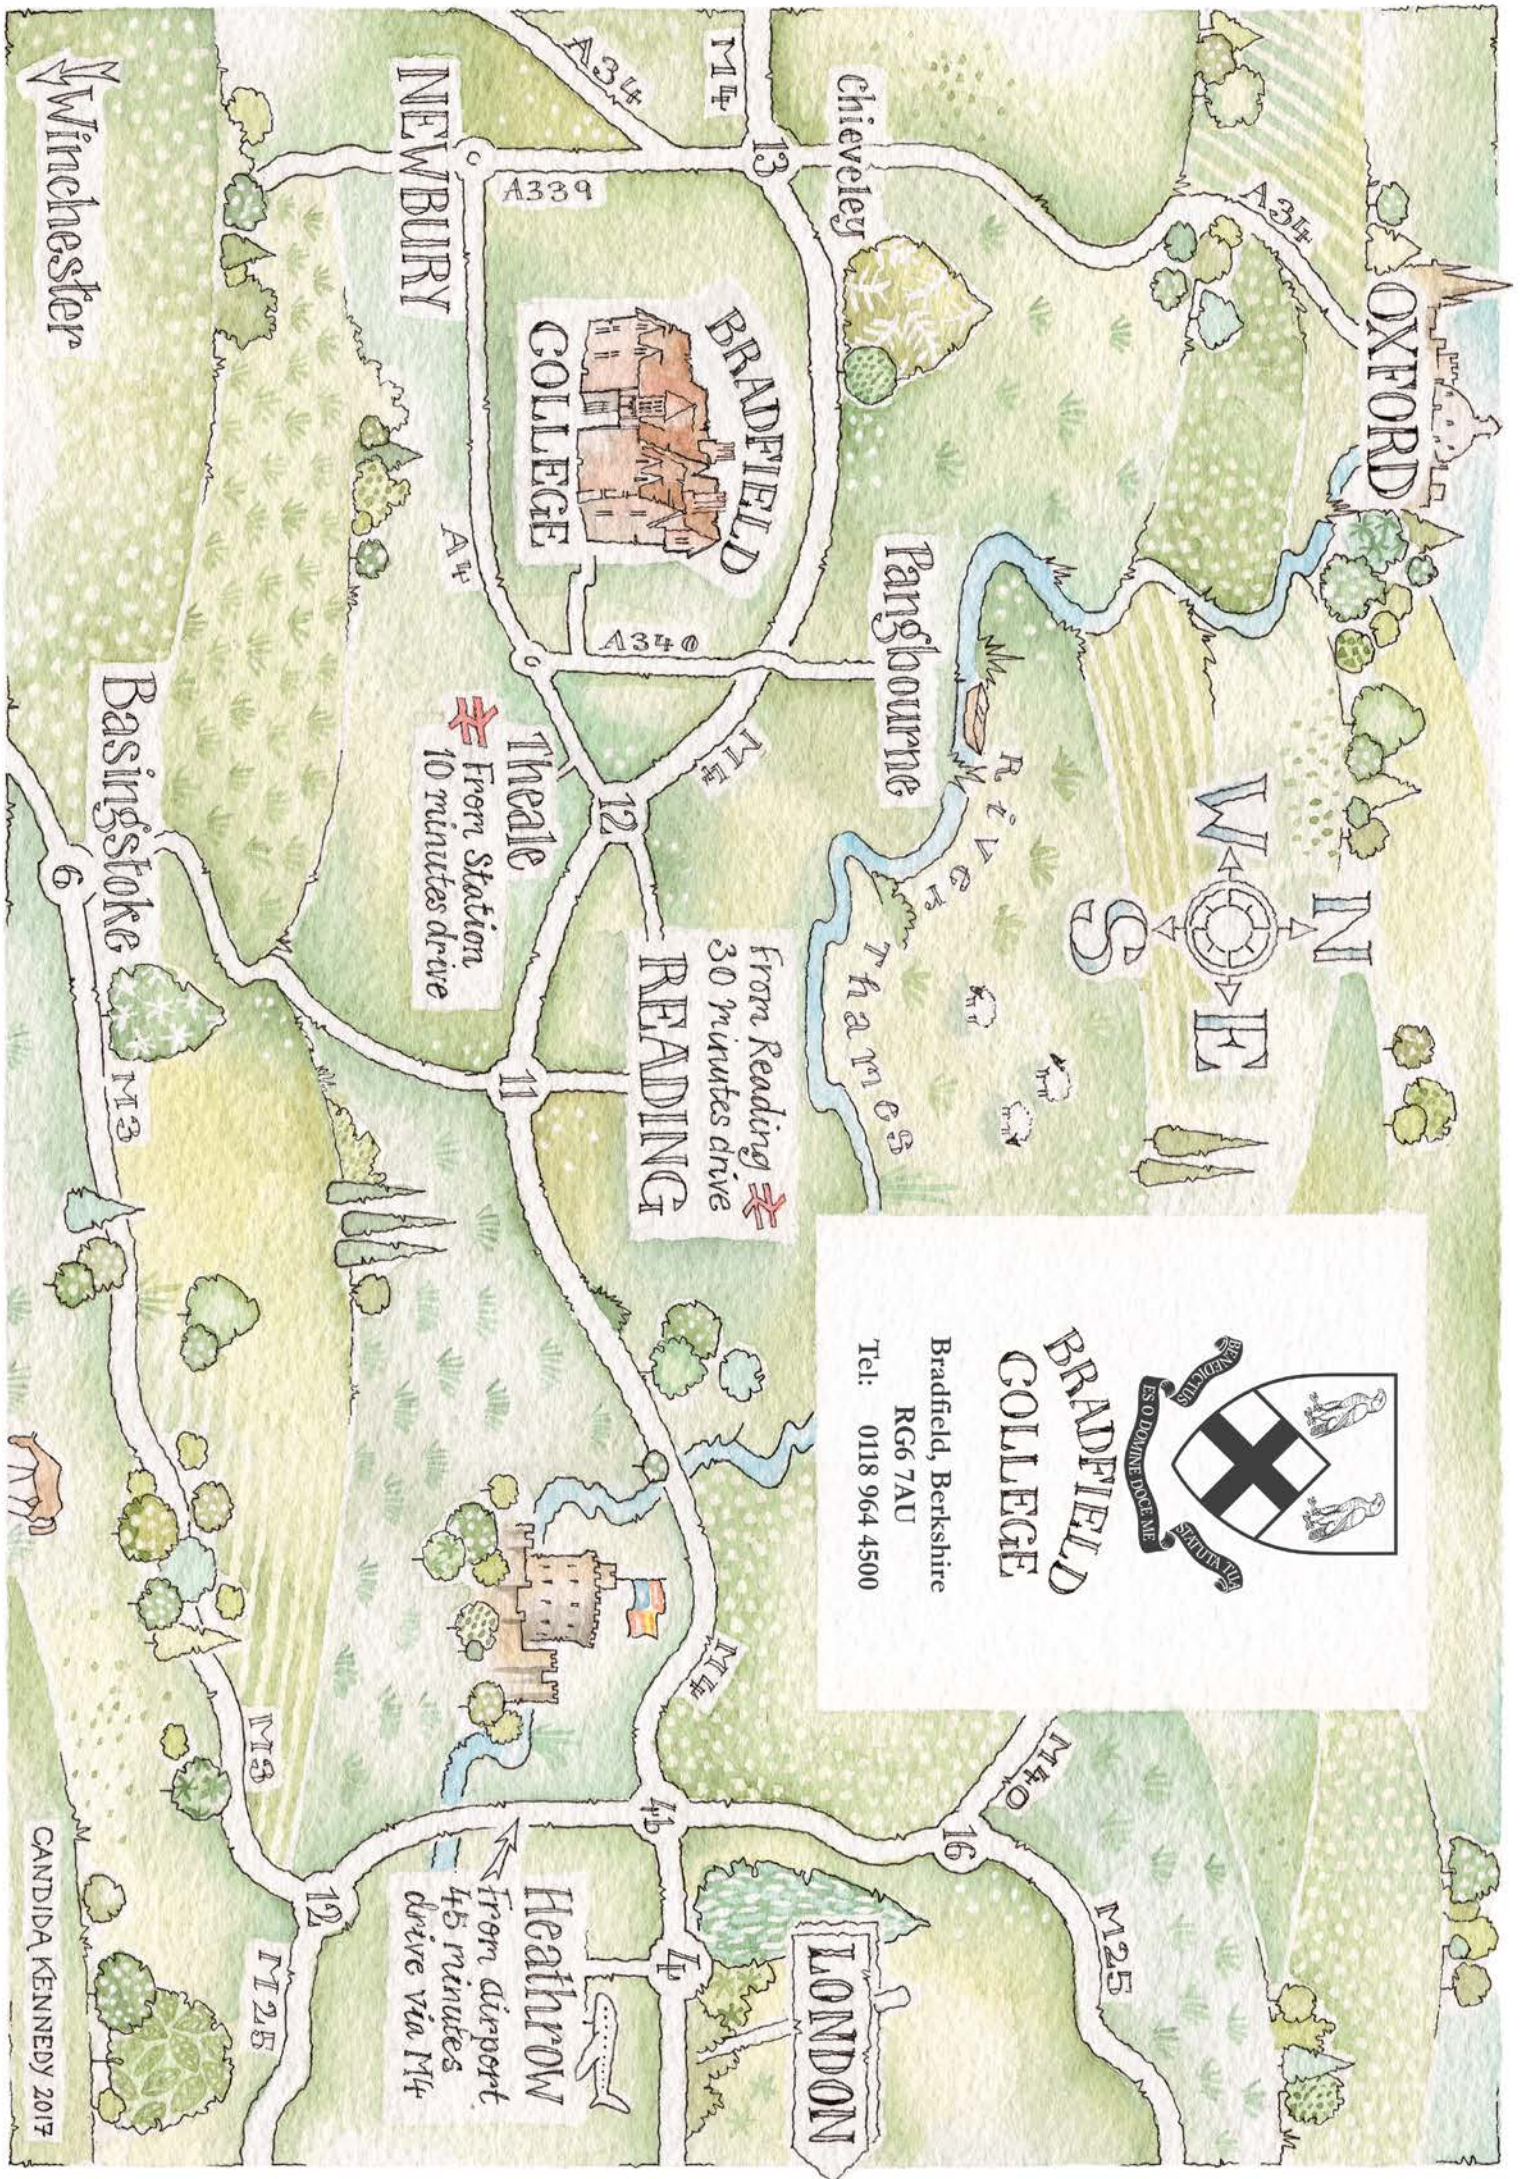

## Equipment

We are happy to provide warm up balls for hockey fixtures but we would be very grateful if you could bring the relevant warm up balls you need for football and netball fixtures.

St Andrew's College, Bradfield was founded by the Reverend Thomas Stevens, MA, Rector of Bradfield, and was first opened as a school in 1850. This seal contains the St Andrew's cross and bears the College Motto: 'Benedictus es O Domine doce me statute tua', which translates 'Blessed are you O Lord, Teach me your ways', and is taken from Psalm 119:33.
