# Temporary Roof Removal

## Tue 28<sup>th</sup> to Thur 30<sup>th</sup> March 2023

From Tuesday 28<sup>th</sup> to Thursday 30<sup>th</sup> March, subject to weather conditions, we will have a crane on the College site removing the temporary roof

Whilst this takes place we will need to make sure no one is under the path of the crane. As a result, there may be some localised restrictions during the day when the crane is operating to the south side of the churchyard adjacent to the College grounds.

We sincerely apologise for any additional inconvenience caused during this time and will of course keep any restrictions to a minimum whilst making sure the public are safe.
